

HEY, I'M PARALAX

(WILL BAKER)

I'm a budding graphic designer and front-end developer. To help integrate my Graphics GCSE with my love for computing, I decided to create my portfolio using a mix of Javascript, SCSS, React and JSX. Here's some quick stats:

- 3,661 lines of Javascript
- 1,210 lines of SCSS
- 563 images

All 5,566 lines of code can be found here, and my portfolio can be found here

```
1  const Homepage = () => {
2
3      const [tooltip, setTooltip] = useState('click')
4
5      useEffect(() => {
6          smoothscroll.polyfill();
7      }, [])
8
9
10     const parentCallback = (result) => { // the callback. Use a better name
11         console.log(result);
12         setTooltip(result);
13     };
14
15
16     return (
17         <div style={{ overflowX: 'hidden' }}>
18             <section id='landing-page'>
19                 <TextLogo className='text-logo' />
20                 <a href='#work' className='scroll-indicator'>
21                     <motion.img
22                         initial={{ scale: 0.9, opacity: 0 }}
23                         animate={{ opacity: 1, scale: 1 }}
24                         className='arrow'
25                         whileHover={{ y: -20 }}
26                         transition={{
27                             type: "spring",
28                             stiffness: 50,
29                             damping: 20,
30                             delay: 2
31                         }}
32                         src='assets/images/icons/scroll.png' />
33                 </a>
34             </section>
35             <section id='work' className='content-container'>
36                 <Heading title='WORK' subtitle='FEATURED PROJECTS' />
37                 <div className='image-list-center'>
38                     <ImageCard image={drbarkers} number='1' title='Dr Barkers'
39                     description='GCSE Brief' link='/projects/drbarbarkers' position='left' parentCallback={
40                     parentCallback} />
41                     <ImageCard image={test_image_3} number='2' title='Kew Gardens'
42                     description='GCSE Brief' link='/projects/kew' position='right' parentCallback={
43                     parentCallback} />
44                     <ImageCard image='/assets/images/typography/ripped/1.jpg' number
45                     ='3' title='Typography' description='GCSE Workshop' link='/projects/typography'
46                     position='left' parentCallback={parentCallback} />
47                 </div>
48             </section>
49             <section id='about' className='content-container'>
50                 </section>
51         </div>
52     )
53 }
54
55 export default Homepage
```
